

LEAPTM WATERTITE WARRANTY CERTIFICATE

INTRODUCTION

LEAP Australasia Ltd warrants the WaterTite Plumbing Systems (pipe and fittings) for **25 years** from the date of manufacture against defects in manufacturing, provided that the installation is carried out by a licensed plumber, in accordance with the latest version of our WaterTite Installation Guide and complies with all local and national plumbing regulations.

APPROVALMARK LICENSE

We also certify that the WaterTite Plumbing System is licensed by ApprovalMark International and complies with the requirements of joint Australian and New Zealand Standard **AS/NZS 2492, AS/NZS 2537.2, AS 4176.2 and AS 4176.3.**

WATERMARK LICENSE

WaterTite is manufactured under Watermark License No. WM 74687 / 74688 / 74712 / 74713 and is approved for use in all states of Australia and New Zealand subject to the installation requirements outlined in the National Plumbing and Drainage Code, AS3500 parts 1 & 4 and any local water authority requirements. The WaterTite Plumbing Systems meet the requirements of the New Zealand Building Code Durability Clause and the approved document G12 Water Supplies Acceptable Solutions.

WaterTite pipe and fittings are compatible for use and **interchangeable with other brands of cross-linked PEX mono or multi-layer pipe and fittings which have been manufactured and certified to AS/NZS 2492, AS/NZS 2537.2, AS 4176.2 and AS 4176.3 and dimensionally compatible.** The 25-year warranty of WaterTite pipes and fittings will not be affected when used with such certified cross-linked PEX mono or multi-layer piping systems.
